Your Name John Doe  Student Number 099999999  Date 3/20/10

1. Ministry activity date 3/10/10  
   Description of ministry activity and its content: Briefly describe your ministry activity in the space provided and show how it relates to the course content. Identify related course content by chapter, lesson, or page number.
   I got involved in a cross fire between the elders and the youth of the church that I am a part of. The elders were opposing the 'improper' dress code of the young people while the young people were defending their stand that people should be accepted as they are.
   I was studying Chapter 10 in the text book, about the Jerusalem council during this church conflict, and so I was able to mediate based on my reading.

2. Results: What resulted from your own participation in this activity? Include descriptions of people’s reactions, decisions to accept Christ, confirmed miracles, Spirit and water baptisms, life changes, etc. Describe the individuals or group who benefited from or participated in your ministry activity. Use numbers to describe results when appropriate (approximate when unsure).
   As a result of my mediation from the biblical perspective, there was genuine repentance on the part of the elders for being legalistic and the young people repented for their lack of respect for the elders.

3. Reflection: Answer the following questions based on your experience in completing this assignment:
   Did this activity satisfy an evident need in others? How so?
   Yes, it helped resolve a conflict that could have ended up dividing the church.
   Were you adequately prepared to engage in this activity? Why or why not? I am not sure if I was adequately prepared because I didn't know how both the parties would respond to my mediation efforts.
   What positive or negative feelings were you aware of while you were completing this activity?
   I felt a peace while mediating the conflict because of the assurance of the Holy Spirit, at the same time I was nervous because it was a delicate issue.
   In what ways were you aware of the Holy Spirit’s help during your ministry activity?
   I was totally dependent on the Holy Spirit for this ministry activity because I didn't think I was capable of handling a situation of this magnitude.
   What would you change if you did this ministry activity again?
   I would get involved sooner. There were signs of unrest within the church that I failed to pick up. I would be more sensitive to the Holy Spirit in order to nip the problem in the bud and save a lot of hurt feelings.
   What strengths or weaknesses within yourself did this assignment reveal to you?
   I found out that God has given me the ministry of reconciliation, primarily people to God, but also people to people.
   Did you receive feedback about this activity? If so, describe:
   Yes, I had numerous people including the Pastor thank me for handling the situation according to the Word of God under guidance of the Holy Spirit.
