While I was studying Chapter 4, about the pattern of preaching, especially to "meet listeners where they are", I felt a prompting in my spirit to go to the local bar and witness for Christ.

I saw this guy, Mark, who was seemed very distressed and sat at the corner alone. I walked up to him and introduced myself. He was very pleasant and almost immediately opened up to me and started sharing about his difficult life and loss of job. This gave me an opportunity to share the gospel and pray with him.

2. Results: What resulted from your own participation in this activity? Include descriptions of people’s reactions, decisions to accept Christ, confirmed miracles, Spirit and water baptisms, life changes, etc. Describe the individuals or group who benefited from or participated in your ministry activity. Use numbers to describe results when appropriate (approximate when unsure).

He was in tears when I shared about how much Christ suffered to redeem us from sin. I led him in sinner's prayer and invited him to the weekly small group gathering at my house.

3. Reflection: Answer the following questions based on your experience in completing this assignment:

Did this activity satisfy an evident need in others? How so?

Yes, it turned the situation around for Mark. As a group we prayed for his job situation. Within one week he received a letter from the same company he used to work for, to join back in an even better position than before. But more significant than that, Mark found Christ.

Were you adequately prepared to engage in this activity? Why or why not? I didn't think I was adequately prepared but the Holy Spirit gave me boldness to take this unprecedented step.

What positive or negative feelings were you aware of while you were completing this activity?

I was not sure how people are going to react to me in the bar so I was scared but I was convinced that I was supposed to do this. My confidence kept growing and I spoke with God given authority as I shared the gospel with him.

In what ways were you aware of the Holy Spirit’s help during your ministry activity?

The way my confidence went from zero to speaking with authority, made me completely aware of the guiding presence of the Holy Spirit. I couldn't have done it on my own strength.

What would you change if you did this ministry activity again?

Instead of going alone I would encourage my fellow believers to accompany me so we could share the gospel to more people and watch each other's back.

What strengths or weaknesses within yourself did this assignment reveal to you?

I am incapable by myself but His strength is sufficient to overcome any situation.

Did you receive feedback about this activity? If so, describe:
Yes, Mark not only a regular attendee of our home fellowship but he accompanies me in outreaches and he is very grateful that I reached out to him at the point of his need.
