THE142 Assemblies of God History, Missions, and Governance

Your Name John / Jane Doe  Student Number 099999999  Date xx/xx/xx

1. Ministry activity date xx/xx/xx  Description of ministry activity and its content: Briefly describe your ministry activity in the space provided and show how it relates to the course content. Identify related course content by chapter, lesson, or page number.

Activity: Intervene to help resolve a conflict. A student in our youth group wanted to bring in a movie about the end-times that had some unscriptural and unhealthy teachings. As the Youth Pastor I was able to share some insights from the course (including Scripture references), and the Statement of Fundamental Truths (Chapter 13, Lesson 13.2, and Appendix A). This enabled me to give some good background and to point out some problems with the movie.

2. Results: What resulted from your own participation in this activity? Include descriptions of people’s reactions, decisions to accept Christ, confirmed miracles, Spirit and water baptisms, life changes, etc. Describe the individuals or group who benefited from or participated in your ministry activity. Use numbers to describe results when appropriate (approximate when unsure).

The result was an opportunity for some good dialogue with this student, about some of the pitfalls that believers fall into when talking about the end-times. I was able to avoid an unnecessary conflict, that would have been caused by bringing this particular movie into the youth group. The youth group benefitted because out of this conversation I am planning to do some biblical teaching in this area, rather than relying on a movie that was full of inaccuracies.

3. Reflection:

Answer the following questions based on your experience in completing this assignment:

Did this activity satisfy an evident need in others? How so?
Yes, it did. The student had a need for sound, biblical teaching on the area of the end times.

Were you adequately prepared to engage in this activity? Why or why not? I believe I was adequately prepared. I had done some previous study in this area. The references in course materials were helpful.

What positive or negative feelings were you aware of while you were completing this activity?
Initially the student was disappointed and frustrated when I pointed out the problems with the movie. But after some time of discussion he and I were able to connect on the idea of doing some future Bible studies on the end-times, in our youth group. At the end of the discussion he was more positive.

In what ways were you aware of the Holy Spirit’s help during your ministry activity?
I believe the Holy Spirit helped me to share truths from God's Word, in a non-threatening way.

What would you change if you did this ministry activity again?
I would have responded a little more gently when first talking to the student about this issue.

What strengths or weaknesses within yourself did this assignment reveal to you?
I struggled at first with feelings of being pressured to bring something into the youth group that I didn't feel was solid. But as we talked I felt more relaxed, and sensed the Holy Spirit was helping me.

Did you receive feedback about this activity? If so, describe:
The student was happy that we would be looking at the issue of the end-times, in some future Bible studies. He seemed to be resolved about the issue.
