THE142 Assemblies of God History, Missions, and Governance

Your Name John/Jane Doe  Student Number 099999999  Date 3/5/10

1. Ministry activity date 2/28/10  Description of ministry activity and its content: Briefly describe your ministry activity in the space provided and show how it relates to the course content. Identify related course content by chapter, lesson, or page number.

I organized and lead a prayer group for three weeks. Our focus was to pray for missionaries in specific countries. We have a list of missionaries from AGWM and we used this list to focus our pray time. This prayer ministry applies course content from pages 71, 83, and especially 118. The course emphasizes how crucial prayer is to the success of missionary efforts.

2. Results: What resulted from your own participation in this activity? Include descriptions of people’s reactions, decisions to accept Christ, confirmed miracles, Spirit and water baptisms, life changes, etc. Describe the individuals or group who benefited from or participated in your ministry activity. Use numbers to describe results when appropriate (approximate when unsure).

The individuals (6) who participated were deeply moved by the responsibility and opportunity to participate in missions. There was a renewed commitment to ongoing prayer and even an increase in financial giving. We received a report from one missionary during the third week of prayer describing a miraculously opened door to the gospel. We knew in our hearts that we had participated in this miracle through our prayer.

3. Reflection: Answer the following questions based on your experience in completing this assignment:

Did this activity satisfy an evident need in others? How so?
Yes - our church had neglected praying for missions over the past several years. This activity stirred up a passion to partner with more missionaries through prayer and giving.

Were you adequately prepared to engage in this activity? Why or why not? Yes, I felt prepared. I just knew that this was the right thing to do and that God would hear us and respond according to His will.

What positive or negative feelings were you aware of while you were completing this activity?
At first I was intimidated by the possiblity that no one would participate or that people would think it was a waste of time. As more people responded (ten came at least once but six were faithful to every prayer meeting), I became more confident and reassured in my spirit.

In what ways were you aware of the Holy Spirit’s help during your ministry activity?
The Spirit's presence at the meetings was very real. Prophetic messages were given and individuals encouraged each other with personal testimonies.

What would you change if you did this ministry activity again?
I would schedule more than three meetings. I would correspond with missionaries ahead of time to find out specific needs.

What strengths or weaknesses within yourself did this assignment reveal to you?
I discovered that I can follow through and lead something that I really believe in.

Did you receive feedback about this activity? If so, describe:
The participants were very encouraged and grateful that we had prayed. Many others in the church indicated they would participate in future prayer meetings.
