Your Name John / Jane Doe  Student Number 099999999  Date xx/xx/xx

1. Ministry activity date xx/xx/xx  Description of ministry activity and its content: Briefly describe your ministry activity in the space provided and show how it relates to the course content. Identify related course content by chapter, lesson, or page number.

My ministry activity was to personally share resources with those in need. I began a monthly child sponsorship through Latin America Childcare. Compassion ministries are discussed in Lesson 11.2 and Lesson 12.2. The section on compassion ministries gave me the idea of sponsoring a child.

2. Results: What resulted from your own participation in this activity? Include descriptions of people’s reactions, decisions to accept Christ, confirmed miracles, Spirit and water baptisms, life changes, etc. Describe the individuals or group who benefited from or participated in your ministry activity. Use numbers to describe results when appropriate (approximate when unsure).

One child is being provided with food and Christian education, in a Latin American country. The most encouraging thing to me is the impact that a Christian education can have upon a child's life, over the long haul. I believe we can make a difference, one child at a time.

3. Reflection: Answer the following questions based on your experience in completing this assignment:

Did this activity satisfy an evident need in others? How so?

The child sponsorships provide food and Christian schooling to needy children. The food addresses a physical need. The Bible teaching addresses their spiritual needs. Their education will also help prepare them for the future.

Were you adequately prepared to engage in this activity? Why or why not? Yes. Obedience was the main issue, because it's not a complex task.

What positive or negative feelings were you aware of while you were completing this activity?

I struggled at first with the idea of a monthly financial commitment. After getting through that, I felt a peace about what I was doing.

In what ways were you aware of the Holy Spirit’s help during your ministry activity?

I sensed a stirring in my heart, to help needy children as I read about the compassion ministries. I have also had an increased burden to pray for the needy children.

What would you change if you did this ministry activity again?

Nothing. I would like to sponsor another child in the future.

What strengths or weaknesses within yourself did this assignment reveal to you?

Making a financial commitment was a struggle for me at first - I want to be faithful. I need to trust God more for my own needs, when I step out to minister to others.

Did you receive feedback about this activity? If so, describe:

We correspond with our sponsored child. I received a thank you letter from our child, that really touched my heart.
